# FOREWORD

---

At no time in the past has the quality of the Shorthorns in Ohio been of such a high standard. The world famous bulls that have been brought into the state in the period of the last few years has left its mark on the quality of the cattle found on the individual breeders' farm in the State of Ohio. Likewise, commercial cattlemen throughout the whole State of Ohio and the country as a whole have much respect for Shorthorn feeder cattle. They have experienced their gaining ability and are aware of their doing ability. Feeding tests and experiments by colleges and unbiased feed companies have proved Shorthorns fast gainers. This thriftiness is gratifying and makes for efficient, profitable gains. As said before, this greater weight for age is inherited and Shorthorn matrons' ability to start strong, robust calves toward early maturity is an inherited characteristic. An advantage and a recommendation for the ideal beef breed.

This present sale offering is composed of bulls and females capable of increasing your potential farm profit. There are no tail end cattle in this sale, for the cattle have all been hand picked. They best represent the continuous stride made by modern type Shorthorns. The bulls in this sale have pedigrees and quality and individuality that is seldom found in any kind of a sale offering, national or otherwise. The females especially are outstanding. The group of attractive open and bred heifers are hand made for foundation material to go into the best herds in the land. Their individuality will stamp them as great brood matrons in the future in Ohio herds and herds across the nation.

You and your friends are cordially invited to attend this sale.

CHERRY LANE SWEEPSTAKE 5th is out of one of the very best cows in my herd. Won twelve firsts out of fourteen times shown. Her mother is a sister to the cow that topped the Maxwalton Sale going for \$3400. We retained this bull for service in our own herd, however, at this time we feel it necessary to sell him due to the fact that one-third of the females in the herd are his half sisters. Otherwise this good bull would never be offered for sale.

DUNREL PAYMASTER is another son of Shore Acres Dunrel who has consistently sired us a good set of calves. Calves by him were always at the top end of their classes at the shows last year including our state show at Urbana, the Ohio State Fair, Michigan State Fair, Eastern National at Timonium, Md. and the International at Chicago. At these five shows under five different judges it was gratifying to win over 20 blues, 2 championships, 2 reserve championships and grand champion sale female in the International Sale. Here is a typical son with a great head, lots of bone and the usual style and balance of Dunrel calves.

**ACADIA SPORTSMAN 69th**, a good-headed, straight-lined, well-fleshed, deep, thick son of Acadia Sportsman 13th, many times Champion at the 1953 and 1954 State Fairs and a member of Acadia's undefeated pair of yearlings and undefeated get of sire at the Ohio, Indiana and Kentucky State Fairs. The 13th sold for \$2,200 in the 1955 Acadia Sale to Horace Hall's Eagle Farms at Dothan, Alabama, where he is siring great calves. The 69th's dam, Saltoun Princess Roma 3d, is an imported daughter of the famous Calrossie Good News. Expert cattlemen pick her as one of Acadia's top cows for her grand head, deep, thick body and extremely short legs. You'll search a long time to find as promising a head sire prospect as the 69th, with as strong a pedigree.

## A Special Message to Commercial Cattle Breeders

The figures shown in this table are important **TO YOU**. The table tells in pounds and dollars the superiority of Shorthorns in the 1955 Virginia Feeder Calf Sales. No explanation is necessary because the figures speak for themselves. Note that in every single category the Shorthorns outweighed the overall average of the other breeds and when you consider that Shorthorns have been figured into the all-breed summary, the figures show a tremendous advantage for Shorthorns. Study this table carefully:

### VIRGINIA FEEDER CALF SALES — 1955

STEER CALVES				
	Grade	Ave. Wt.	Price Per Cwt.	Value Per Head
All Breeds ----	Fancy & Choice	472 lbs.	\$23.75	\$112.06

**ELMDOWN ROAN LADY 12TH**—Is a lowset heifer with a lot of depth and spread. She stands on straight sturdy legs that are placed out on the corners. She is straight in her lines and is very pleasing in her type. She comes from one of our best families her mother being a maternal sister to the bull we sold last fall to Frank Johnson & Sons in the Columbus Grove Sale. We think she is the best heifer that we have offered for sale. With her breeding and individuality she should make a top brood cow. Vaccinated.

**ACADIA PRINCESS 7th**, a sweet-headed, low-set, thick, well-balanced daughter of the \$9,900 Perth, Scotland, Reserve Senior Champion, Imported Calrossie Rosewood Fortress. Her dam, Acadia Princess 2d, one of the best of the uniformly good daughters of the \$16,500 Imported Calrossie Sportsman, was a winning member of the 1953 Acadia show herd and teamed with three other Sportsman progeny to form the undefeated get of sire at the Ohio, Indiana, and Kentucky State Fairs. These Princess heifers are prolific producers of topnotch calves, and we are parting with this beautiful, well bred one for the sole purpose of offering a real attraction for the Ohio State Sale. She has the imported blood lines and the individuality to make her a desirable foundation female in any herd. Sells open.

DUNREL VIOLET is a young open heifer from a good family. You will like her ideal color. This is the same family that produced Dr. Smith's good breeding bull, Upright Goldspur. She is young and in breeding condition—just ideal for anyone to take home and put in their herd. Vac.

# STANDARD GUARANTEE

—of—

## **American Shorthorn Breeders' Association**

1. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.
  2. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder, notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.
  3. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.
  4. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction to all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.
  5. All animals catalogued have been tested for T. B. and are clean, and have also passed a test for Brucellosis thirty days prior to the sale, or are accompanied by a Bangs Vaccination Certificate. Announcements will be made covering animals **not clear from vaccination.**
  6. Certificates of registry and transfer will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females, showing names and record numbers of sire and dam, as well as service date.
  7. Shipment will be made as soon as possible after the close of the sale, but at purchaser's risk of loss or injury after animal is bid off. Where cattle are sold at private treaty the above terms should apply as well as for sale at auction.
- All prospective buyers should check health requirements of their states.
- As a safeguard to prospective buyers, every animal has successfully passed a clean abortion test within 30 days prior to the sale, or will have Certificates of Bangs Calf-hood Vaccination, and those that are not from Accredited herds have passed a clean Tuberculin test within the same period. Health certificates will be provided with each lot sold.
